About Us

E M Hughes Auto centre is a large independent, family run business specialising in servicing and repairing of cars, vans and motorcycles, established in the 1980's E M Hughes Auto Centre has grown both in size and ability to ensure that every vehicle can be catered for whether it be an Austin Martin or a Ugo. To facilitate this we have constantly invested in up to date equipment and training that allows us to both service and repair a huge range of makes and models. Block exemption from the EU allows professional workshops to carry out services to vehicles still covered by manufactures warranty without affecting their warranty status, this means that owners of newer cars that are still under warranty can benefit from lower service prices carried out locally. MOT testing is available for cars, motorcycles and vans of all sizes including Class 7 tests for vans up to 3,500 kg, in addition to this our specialist facilities allow us to mot and service large motor homes.
