A Sensational Mk1 Audi TT Quattro 3.2 V6 Coupe with Just 22,445 Miles

KGF Classic Cars 180 225 RS A4 A5 VAG BAM Sport

£16,995.00

Engine Size (in ccm)	3,189	Fuel	Petrol
Mileage	22,445 Miles	Model Year	2004
Power	247 BHP	Transmission	Automatic

Description

FOR SALE A sensational Mk1 Audi TT Quattro 3.2 V6 Coupe with just 22,445 miles. EQUIPMENT Galvanised body with crumple zones, side impact bars, Electronic Stability Program (ESP), xenon headlamps with headlamp cleaning system, front and side airbags, heat insulating tinted glass, TT door entry strips, tailgate spoiler, Driver Information System (DIS), radio cover with 'TT' logo, electronic climate control system, multi-level seat heating, toolkit. Factory Options: Pearl metallic paint, leather upholstery, Audi Concert stereo system, BOSE sound system, armrest. Dealer Options: Audi carpet mats, Audi rubber mats, luggage floor protector. EXTERIOR This exceptional Mk1 Audi TT Coupe is finished in factory optional and desirable Misano Red Pearl Effect, (Code LZ3M). The magnificent paintwork boasts a brilliant uniform shine and impeccable finish while every factory panel is pin straight. All trim pieces, glass, lights and badges are pristine and the underside reflects the low mileage and careful storage from new. All door apertures, bonnet/boot shuts and wheel arch liners are immaculately clean and supplying Audi dealer branded number plates and rear screen sticker remain fitted. The iconic pebble shape of the original TT has barely aged and this top of the range example is now firmly within the sights of the collector. Very difficult to find like this. INTERIOR Built with the

driver in mind the coupe offers the perfect combination of sports car enjoyment but with no-compromise Audi build quality. The expensive factory optional Silver Silk Nappa Leather, (Code JX), remains supple with firmness retained and only slight hairline veins to the drivers bolster. The quality carpets are pristine having been protected from new by genuine Audi carpet mats plus an additional set of Audi rubber floor mats! All aluminium element trim pieces, controls and functions operate perfectly including the heated seats and ice-cold air conditioning. The Driver Information System (DIS) display is perfectly clear with all pixels intact, quite rare for the Mk1 TT. The Audi Concert stereo with BOSE sound system provide deep, clear and crisp audio pleasure. A Bluetooth device has been professionally fitted to the original stereo, without any visible alteration, and operates in lieu of the CD changer. The boot area is unmarked and even has a fitted boot liner with the Audi branded pouch containing the top up oil! An immaculate and unspoilt interior. One for the perfectionist. **ENGINE & TRANSMISSION** The chain driven 3.2 V6 model was the most powerful and fastest road going TT behind the Quattro Sport producing 246bhp with silky smooth performance to achieve an electronically limited top speed of 155mph and 0-62mph in just 6.6 seconds. An exhilarating yet stable drive through the legendary Quattro permanent four-wheel drive system is complimented by the by the 6-speed DSG transmission which enables a faster sprint to 62mph than a manual gearbox! Both the Haldex oil and filter and DSG oil and filter have been changed over and above the manufacturer's recommendation, indeed an Haldex oil and filter service has been carried out in April 2026. The engine bay is spotlessly clean and displays factory plates, stickers and labels for the show goer. **WHEELS, TYRES & BRAKES** The 7-Spoke Design 18in alloy wheels are standard fitment to the 3.2 V6 model and remain in original bright silver finish with no markings and have never been refurbished. Retaining masses of tread are Continental SportContact 3 225/40 ZR18 tyres. Below the spotless boot floor is the moulded polystyrene holder in which the full Audi toolkit and compressor as well as the original build option label. Advanced Anti-Lock System (ABS) with Electronic Brake-force Distribution (EBD) features discs to all four wheels to offer powerful, assured and safe braking power. **HISTORY FILE** Rarely does such a pampered, low owner flagship Mk1 Audi TT become available with warranted low mileage and complete history. Supplied new on 9th January 2004 by Edinburgh Audi, the first owner Mr Syme placed a forward order for Misano Red with Silver Silk Nappa with the original Vehicle Order Form revealing a price paid of £29,800. Previously sold by KGF Classic Cars we are thrilled to have been offered the car back once more. Despite the exceptionally low mileage, there are 18 recorded service entries to evidence the care lavished on this example, the last at Audi Maidstone in 2025 with 215 miles covered since. All handbooks, guides and dealership literature have been kept along with two Audi flick keys plus the original key code tag and master blade. A brochure pack is also present. This prime example would stand proud in any Audi main dealer showroom or on the show circuit! MOT April 2027, HPI Clear.

About Us

KGF Classic Cars was formed by the owner's desire to pass on the enjoyment of amazingly original, modern classic cars and the pleasure these vehicles offer to their appreciative owners. The eldest son of Italian-born parents – whose families came to the Cambridgeshire Fens after WWII to make bricks for new housing – Karl Fasulo grew up in the 70s and 80s when there were fewer cars on the roads. His appreciation of beautiful motors began when his engineer father, Sav, purchased a red 1983 Mercedes 280SL as a weekend car back in 1985. That same Mercedes is still well-loved and driven regularly by Karl and is now in the showroom for all to see! After a successful career spanning two decades selling and managing premium vehicles for dealerships in London and Cambridgeshire, Karl decided to set up KGF Classic Cars, to source original, modern classic cars and share them with like-minded knights of the road. He says: "As a kid, I would squeeze in the back of our lovely red Mercedes with my brother and sister (seatbelts were not mandatory at that time!) – Mum and Dad in the front and all of us enjoying the outing. I would gaze out at other cars and my brother and I would shout out all the makes and models of the ones going by! "With encouragement from my father, I entered the world of classic cars at 15, when I saved up and bought a 1964 Riley Elf Mk 2. This car was cleaned and polished every weekend until I was 17 when I threw away my L-plates and took to the road. My interest never subsided, even during my career at BMW – to the point where driving these older cars gave me more pleasure than the modern offerings. Perhaps it is just happy childhood memories, but there is something about those classics which draws me back to them every time . . ." He added: "I consider it a privilege to meet and do business with people who love them as much as I do. So, whether you are buying or selling – or just browsing (taking a spin down memory lane, perhaps!) I hope you enjoy this website." All the vehicles offered by KGF Classic Cars are personally checked, meticulously inspected and driven by us to ensure they meet the incredibly high standards that are becoming very hard to find. The cars are eventually selected with the ultimate aim of providing the new owner with the best possible experience of that model, whatever it may be. Visit our purpose built secure showroom for viewings, test drives and a relaxed buying experience, whereby fresh coffee and refreshments can be enjoyed in a friendly and lighthearted environment.
