Description

1996 Land Rover Defender 90 300 TDi Having Only travelled less than 100 miles since comprehensive restoration, it's possibly one of the nicest cleanest 300 tdi's we have seen. Registration: P423SUM Chassis: SALLDVA67TA997397 Odometer: 000100 (since overhaul) Transmission: Manual Having benefited from recent extensive restoration, including brand new galvanized bulkhead, chassis and battery box All Refurbished running gear underneath with numerous new components. Fitted with sawtooth alloys wrapped in matching BF Goodrich all-terrain tyres, including spare wheel side mounted on the rear door. Equipped with panoramic windows which perfectly offsets the dark green paintwork. Fitted with front facing individual rear seats which can accommodate child seats Complete with five new seats and new steering wheel. Original specification dashboard and door cards. We could carry out extensive interior modifications ie leather heated seats leather dash and also any audio or electrifications ie seats or windows/central locking anything you desire let us know and we can discuss options and costs… Equipped with mud flaps and rear step. Desirable 300 TDi engine This is how Land Rover should have built their Defenders. This one is fitted with a galvanized bulkhead and chassis, surely this Defender will last forever. Evidently benefited from a comprehensive mechanical and bodywork restoration, as can be seen in the pictures, the underneath of this Defender is absolutely spotless. This Land Rover has been retromodded with some sympathetic cosmetic upgrades, such as new dark green spray paint, fantastic panoramic windows and desirable sawtooth alloy wheels. Please note that this Defender is a category C insurance status classified in 2016, Which although is a fact, it's irrelevant as everything on defenders is
