Description

An excellent opportunity to own a stunning example of Ducatis iconic Monster range. This 2018 Ducati Monster 797+ combines unmistakable Italian styling, an engaging riding experience and impressive everyday usability, making it an ideal choice for both newer riders and experienced motorcyclists alike. With just 5,474 miles on the clock, this Monster presents a fantastic opportunity to enjoy Ducati ownership with relatively low mileage. Its distinctive naked styling, exposed tubular steel trellis frame and muscular proportions give it the unmistakable presence that has made the Monster one of Ducatis most recognisable motorcycles. Powered by Ducatis characterful 803cc air-cooled Desmodue L-twin engine, the Monster delivers an enjoyable blend of accessible performance, strong low-down torque and an unmistakable V-twin soundtrack. A2 licence suitable when correctly restricted to 35kW, it makes an excellent option for riders looking to step into the world of Ducati. Standard equipment includes Bosch ABS, Brembo M4.32 radial-mounted front brake callipers, twin 320mm front brake discs, Kayaba upside-down front forks and a Sachs rear monoshock with adjustable preload and rebound. The bike also benefits from a six-speed gearbox, LCD digital instrument display, LED position lighting, rear LED light and an under-seat USB charging socket. As a 797+ model, it also features the factory-fitted flyscreen and colour-matched passenger seat cover, adding to its already distinctive appearance. The lightweight alloy wheels and comfortable 805mm seat height further contribute to its excellent everyday usability. Whether youre looking for your first Ducati, an exciting A2-compliant motorcycle or a stylish and enjoyable weekend ride, this Monster 797+ is sure to impress. At CMC we pride ourselves on customer satisfaction
