Description

The 2018 Triumph Bonneville Street Twin is a stylish modern classic that blends timeless British motorcycle heritage with contemporary engineering and everyday practicality. Powered by Triumph's 900cc parallel-twin engine, it delivers smooth, responsive performance with plenty of low-down torque and a distinctive character that makes every ride enjoyable. Its lightweight feel, accessible seat height and relaxed riding position make it an excellent choice for both newer riders and experienced motorcyclists looking for a versatile and enjoyable motorcycle. Featuring classic Bonneville styling with a sculpted fuel tank, round headlight, minimalist bodywork and distinctive twin exhausts, the Street Twin has an unmistakable presence on the road. Its comfortable ergonomics and agile handling make it equally suited to navigating town streets or enjoying winding country lanes, while modern features including ABS, switchable traction control and ride-by-wire throttle technology provide added confidence and control. Combining traditional styling with modern reliability and usability, it offers the best of both worlds.
