### Description

Fastline Superbikes are pleased to offer this Suzuki GSX1400 K3. With its air-cooled 1402cc in-line four-cylinder engine producing massive mid-range torque, classic twin shock styling and purposeful looks the GSX1400 represents a reminder of proper old school motorcycling. Motorcycle News described it as having the best looking and gruntiest motor in the retro class and praised its combination of classic style with being big, powerful and ultra smooth. The GSX1400 was never about chasing high-rev horsepower like modern superbikes. Instead, it delivered accessible, usable power with rock solid reliability wrapped in timeless styling. This lovely K3 example has covered just 18355 miles and has been meticulously cared for, used only on high days and dry days. The original seat and exhaust are available with the bike. Please let us know what you are interested in to ensure it will be here in the showroom. All bikes will come serviced with 12 mths MOT and 3 mths warranty. Finance and worldwide delivery can be arranged. For more details please contact us.
