noticeable. Dynamic details exude style such as the curved design of the halogen headlights, twin exhaust tailpipe and honeycomb front air intake with high gloss black radiator grille. The underside is in exceptional condition with factory labels still being attached and the car has been garaged from new. Supplying dealer number plates and front and rear screen stickers remain fitted although slightly crinkled. INTERIOR An interior that really is showroom fresh! The supportive seats are trimmed in factory optional Black Vienna Leather, (Code QX), a package that included heated front sports seats and adjustable lumbar support, electric for the driver. The pristine upholstery is essentially as new commensurate with 8,470 miles covered, with no wear or markings notable. Carpets, still protected by genuine VW floor mats, door cards and headlining are immaculate. Main touch points such as the leather trimmed three-spoke steering wheel, gear knob and switchgear display a distinct lack of wear found only on ultra-low mileage cars and all equipment and displays are perfect including the ice-cold semi-automatic climatic air conditioning system. The stylish matt chrome decorative inserts provide the perfect finishing touch and the boot area is as new with the space saver spare wheel and changing apparatus unused. The factory build label remains on the boot floor. ENGINE & TRANSMISSION Fitted with the innovative hi-tech 1.4 litre TSI 160 chain driven engine which features both a turbocharger and mechanical supercharger, an impressive 158bhp is achieved with 0-62mph in 8.0 seconds and a top speed of 135mph. Benefitting from 14 service stamps, the car runs, drives, and performs exceptionally. A great feature is the ACC, (Adaptive Chassis Control), with Normal, Comfort and Sport modes which adjusts the damping control and shock absorption rate as well as steering responsiveness to suit the road and mood of the driver. The engine bay is immaculate with factory plates and labels intact. The 6-speed manual transmission performs impeccably and offers real driver engagement. WHEELS, TYRES & BRAKES Desirable factory optional Interlagos 18in one-piece cast aluminium wheels are virtually perfect with a tiny mark to one wheel only. Brand new premium Michelin PilotSport5 tyres of size 235/40 ZR18 were fitted in August 2026 and have covered only a few miles. The ABS braking with Hydraulic Brake Assist performs impeccably with all maintenance fully up to date after a full overhaul carried out at 7,664 miles. HISTORY FILE Registered new on the 23rd March 2010, the supplying Main Dealer was Croydon Volkswagen. This stunning modern classic was supplied to Miss Smith who has been the sole owner from new and the car has covered a warranted and miniscule, 8,470 miles. Despite the exceptionally low mileage there are 14 service stamps with the most recent being in July 2026. A large folder holds corresponding service and maintenance invoices as well as all MOT certificates dating back to the first in 2013 to further verify the mileage. The original document wallet holds the service book, handbooks, guides and point of sale literature as well as both sets of keys with dealer fobs. A sales brochure and pricing leaflet from 2010 completes the history file. The antithesis to the vast majority of tired, high mileage cars, this preserved example is simply outstanding and one for the appreciative collector knowledgeable the model is approaching two decades of age. MOT September 2027, HPI Clear.

About Us

KGF Classic Cars was formed by the owner's desire to pass on the enjoyment of amazingly original, modern classic cars and the pleasure these vehicles offer to their appreciative owners. The eldest son of Italian-born parents – whose families came to the Cambridgeshire Fens after WWII to make bricks for new housing – Karl Fasulo grew up in the 70s and 80s when there were fewer cars on the roads. His appreciation of beautiful motors began when his engineer father, Sav, purchased a red 1983 Mercedes 280SL as a weekend car back in 1985. That same Mercedes is still well-loved and driven regularly by Karl and is now in the showroom for all to see! After a successful career spanning two decades selling and managing premium vehicles for dealerships in London and Cambridgeshire, Karl decided to set up KGF Classic Cars, to source original, modern classic cars and share them with like-minded knights of the road. He says: "As a kid, I would squeeze in the back of our lovely red Mercedes with my brother and sister (seatbelts were not mandatory at that time!) – Mum and Dad in the front and all of us enjoying the outing. I would gaze out at other cars and my brother and I would shout out all the makes and models of the ones going by! "With encouragement from my father, I entered the world of classic cars at 15, when I saved up and bought a 1964 Riley Elf Mk 2. This car was cleaned and polished every weekend until I was 17 when I threw away my L-plates and took to the road. My interest never subsided, even during my career at BMW – to the point where driving these older cars gave me more pleasure than the modern offerings. Perhaps it is just happy childhood memories, but there is something about those classics which draws me back to them every time . . ." He added: "I consider it a privilege to meet and do business with people who love them as much as I do. So, whether you are buying or selling – or just browsing (taking a spin down memory lane, perhaps!) I hope you enjoy this website." All the vehicles offered by KGF Classic Cars are personally checked, meticulously inspected and driven by us to ensure they meet the incredibly high standards that are becoming very hard to find. The cars are eventually selected with the ultimate aim of providing the new owner with the best possible experience of that model, whatever it may be. Visit our purpose built secure showroom for viewings, test drives and a relaxed buying experience, whereby fresh coffee and refreshments can be enjoyed in a friendly and lighthearted environment.
