Description

SH Mode 125 - Ready for the city The Perfect Travel Partner Refined styling makes a self-assured statement of subtle elegance, with a premium LED headlight and extra leg room. And, for one less thing to think about, Smart Key operation – so you put the key in your pocket and ride. The enhanced Smart Power Plus (eSP+) engine is as smooth and easy to use as ever. It's fuel efficient and, thanks to EURO5 compliance, cleaner, too. A light steel frame and low, 765mm seat height make for maximum manoeuvrability while redesigned wheels use fuel-saving tyres. SH Style & Practicality It's true, the sculpted lines of the SH Mode 125 make quite an impression. But, because it's a member of our SH family, beautiful form also incorporates a great deal of practical functionality. The spacious flat floor features more leg room; there is also room for a full-face helmet under the seat and a handy glovebox with USB Type-C socket in the fairing, to keep your smartphone charging while you ride. For confident easy handling, supple suspension and cast aluminium 16-inch front and 14-inch rear wheels combine to smooth out rough city tarmac. Available now and in stock at CMC Motorcycles.
