Description

CMC Motorcycles is pleased to offer the 2021 Kawasaki W800 Café — a retro-styled modern classic that blends authentic 1960s café racer design with smooth parallel-twin performance and modern reliability. Inspired by Kawasaki's historic W series motorcycles, the W800 Café delivers timeless styling, relaxed road manners and a distinctive old-school riding experience. At the heart of the W800 Café is a 773cc air-cooled vertical twin engine producing around 47 horsepower and 62.9Nm of torque. Power delivery is smooth, relaxed and torque-rich, making the bike ideal for steady road riding and enjoyable weekend cruising. Braking performance is modern and reassuring, with a front disc and rear disc supported by ABS as standard. The braking system offers predictable stopping power while maintaining the bike's retro appearance through classic styling details. Styling is one of the bike's biggest highlights, wire-spoke wheels, chrome detailing and classic analogue clocks all contributing to its authentic café racer appearance. The polished engine fins, peashooter-style exhausts and traditional paintwork reinforce its vintage-inspired character while maintaining modern build quality and finish. At CMC we pride ourselves on customer satisfaction and all of our bikes undergo a 37 point pre delivery inspection which includes a fresh oil and filter service unless recently changed, if the bike has less than six months MOT we will put a new one on, giving you complete confidence when buying from CMC. 5309 miles, All keys and handbook, ABS, Center stand, Retro styling FREE DELIVERY up to 160 miles from store.
