the looks of a sport coupe with the comfort of a four-door saloon, all under the dynamic curve of an arching roof. Crystal clear L-shaped headlamps with polycarbonate lenses house the expensive optional Bi-Xenon with corner light function and rear LED technology tail lights. The front screen and a minor stone chip and there is a carefully touched-in mark to one rear wheel arch. All wheel arch apertures, boot and door shuts and the underside are remarkably clean and represent a truly cosseted example in the hands of one private owner from new. INTERIOR Ergonomically formed optional leather seats offer comfort and support finished in stunning Cashmere Beige, (Code 204), all electrically operated, heated with memory function. The interior is exquisite and offers an individual touch with many expensive factory options and complementing Elm Tree wood and leather touches all immaculate and commensurate with the low mileage. Massive specification incorporates all the must have options including luxury automatic climate control, COMAND APS Cockpit Management and Navigation Display system and Harman/Kardon LOGIC 7 surround system amongst much more! Stylish and comfortable, the two individual rear seats are extremely accommodating and relaxing to sit in with separate temperature zones and ambient lighting. Inside the immaculate boot area is the complete tool roll and jack, all unused. ENGINE & TRANSMISSION The 6-cylinder common-rail diesel engine makes every drive an enjoyable journey with a whole array of features. These include, piezoelectric injectors for ultra-high precision fuel metering and improved air ducting for instant power response. With 224bhp and a whopping 510 Nm of torque, this machine will accelerate from 0-62mph in 7.0 seconds and on to a top speed of 153mph. With full main dealer service history and a combined 37.2mpg this is a formidable package. The 7G-Tronic 7-speed automatic transmission shifts smoothly harnessing the thumping torque of the engine with complete control. WHEELS, TYRES & BRAKES Factory cost-optional 18 inch 5-spoke design alloy wheels are unmarked and shod in Continental ContiSportContact 245/40 R18 with ample tread. The spare remains unused. The CLS-Class Adaptive Brake system helps optimise other safety functions such as ESP, ASR, ABS and BAS and with LED brake lights to alert drivers behind to emergency braking thanks to their ability to both flash and switch on the hazard lights. HISTORY FILE Now approaching its 20th birthday, this outstanding Mercedes-Benz CLS 320 CDi was registered new on the 29th March 2007 to Mercedes-Benz of Brighton. The order form made out to Mr Izzard on the 20th March 2007 confirms this car was exactly specified to his requirements and providing ownership was transferred to him after three months, no VAT would be paid, representing a big saving if you were prepared to wait! Remaining in his dotting care ever since, the car has enjoyed full Mercedes-Benz main dealer servicing spanning the low and warranted, 17,767 miles. A total of eight main dealer services are recorded with supporting invoices and the last being on the 14th May 2026 at 17,747 miles. The vehicle is supplied with a neatly filed A4 folder spanning the entire life of the car including everything from the original purchase invoice to every MOT certificate. All handbooks, spare keys and even brochures with the owners handwritten deliberations on all options are present. MOT April 2027, HPI Clear.

About Us

KGF Classic Cars was formed by the owner's desire to pass on the enjoyment of amazingly original, modern classic cars and the pleasure these vehicles offer to their appreciative owners. The eldest son of Italian-born parents – whose families came to the Cambridgeshire Fens after WWII to make bricks for new housing – Karl Fasulo grew up in the 70s and 80s when there were fewer cars on the roads. His appreciation of beautiful motors began when his engineer father, Sav, purchased a red 1983 Mercedes 280SL as a weekend car back in 1985. That same Mercedes is still well-loved and driven regularly by Karl and is now in the showroom for all to see! After a successful career spanning two decades selling and managing premium vehicles for dealerships in London and Cambridgeshire, Karl decided to set up KGF Classic Cars, to source original, modern classic cars and share them with like-minded knights of the road. He says: "As a kid, I would squeeze in the back of our lovely red Mercedes with my brother and sister (seatbelts were not mandatory at that time!) – Mum and Dad in the front and all of us enjoying the outing. I would gaze out at other cars and my brother and I would shout out all the makes and models of the ones going by! "With encouragement from my father, I entered the world of classic cars at 15, when I saved up and bought a 1964 Riley Elf Mk 2. This car was cleaned and polished every weekend until I was 17 when I threw away my L-plates and took to the road. My interest never subsided, even during my career at BMW – to the point where driving these older cars gave me more pleasure than the modern offerings. Perhaps it is just happy childhood memories, but there is something about those classics which draws me back to them every time . . ." He added: "I consider it a privilege to meet and do business with people who love them as much as I do. So, whether you are buying or selling – or just browsing (taking a spin down memory lane, perhaps!) I hope you enjoy this website." All the vehicles offered by KGF Classic Cars are personally checked, meticulously inspected and driven by us to ensure they meet the incredibly high standards that are becoming very hard to find. The cars are eventually selected with the ultimate aim of providing the new owner with the best possible experience of that model, whatever it may be. Visit our purpose built secure showroom for viewings, test drives and a relaxed buying experience, whereby fresh coffee and refreshments can be enjoyed in a friendly and lighthearted environment.
