Description

ADV350- The Thrill of Possibilities Confidence. Feel it when you ride the ADV350 scooter. Sporty engine power meets a robust, smooth-running chassis and new rear suspension for added comfort to cover terrain with ease. With auto-signal cancellation, the ADV350 isn't just safe – it's functional. It's not all about muscle though. The 5" TFT Meter lets you gauge your ride in stunning clarity and keeps you connected with Honda RoadSync integration for access to phone calls, music and navigation. The ADV350. You know what it can do. Purposeful Practicality While tough adventure styling sets the ADV350 apart, we've ensured it stays true to what big scooters are all about comfort and practicality. The seat, contoured for support, is just 795mm high, making ground reach easy. There's 48L of under-seat storage—enough for two full-face helmets—plus a glovebox with a USB Type-C socket. Under-seat LED lighting improves visibility in the compartment at night. The screen adjusts in four stages, allowing you to tailor the height and angle to your needs. Set high, it reduces fatigue by directing air around your shoulders on longer journeys. Set low, it allows a cooling breeze, perfect for city rides. Smooth Out Your Busy Day Ready to go? Just keep the Smart Key in your pocket—it arms the ignition system, opens the seat, and operates the optional Smart Top Box, locking it as you walk away. The 5-inch TFT meter adds a premium touch, providing clear, advanced digital information at a glance. Stay connected on the move with Honda RoadSync, linking your Android™ or iOS™ device for calls and music. All lighting is LED, led by aggressive dual headlights, with Emergency Stop Signal (ESS) and Auto Signal Cancellation, ensuring you're seen and safe on the road. Sporty Performance with Versatility The 330cc, enhanced Smart Power+

(eSP+) SOHC four-valve engine achieves strong sports performance with high-efficiency thanks to built-in low-friction technologies. This means fast, traffic-beating acceleration and plenty of power for longer-range highway commutes or anything else your day brings. Riding conditions can change quickly, so HSTC automatically manages rear-wheel traction to give you the confidence to ride on. Spend less time at the filling station with a fuel economy of 3.4l/100km (WMTC mode) and an 11.7L fuel tank, delivering a potential range of 340 km. Available now and in stock at CMC Motorcycles. Reserve this bike now with a £99 deposit online at CMC. Finance available subject to status, part exchange welcome and nationwide delivery available. Brand New, Unregistered, Up to 6 Year Warranty, TFT display, Under seat storage, Honda RoadSync, Smart Key, Traction control, ABS, USB-C socket FREE DELIVERY up to 160 miles from store. About Us

Welcome to CMC, CMC was established in 1975 when Maurice Feltham took his passion for riding and rebuilding motorcycles one step further by purchasing Staveley Motorcycles a small dealership at that time dealing with a mix of British and Japanese used bikes and parts. CMC is now operating 5 stores and became the largest retailer of new Yamaha's in the UK. We are also Isle of Man TT winners in 1999 and 2000 with David Jefferies and became Motorcycle News Dealer of the Year for stores with more than one outlet. With over 800 new and used bikes to choose from we have something for everyone. Buy with confidence with over 40 yrs in motorcycle trading To view one of our bikes simple call us, or visit our website to enquire online.
