Description

1998 Rolls Royce Silver Seraph Chassis Number: SCALA61E1XCH01432 Registration Number: S661SLF A royal car ordered new by the late PRINCESS SAMERAH AL-SAADAWI who lived on the Bishops Avenue in London. SInce her tenure the car has covered just 27,000 miles from new backed up by a full set of MOT certificates & copious service bils showing the car to have been maintained without regard to cost. Indeed the last service done earlier this year by marque specialists Hiller & Hill came to just under £5,000 pounds so the car is absolutely ready & prepared for its next owner. Finished with Amethyst paintwork and an unmarked magnolia leather interior with heated leather seats, lambswool rugs and picnic tables to the rear, it is exquisite in its appearance and comfort. This excellent Silver Seraph is supplied with a V5 registration document, all MoT test certificates, the original handbooks and a collection of invoices confirming the low mileage. The car is also equipped with a sunroof. The car has resided always in heated garages, so is corrosion free & in exceptionally lovely conditon. Under the bonnet the engine bay is simply pristine in keeping with the rest of the car. Indeed it looks & drives like a new car. Simply put it would be hard to find a better example. The pictures speak for themsleves as does the way the car drives. Call Richard Biddulph.
