## Description

This 2017 Audi Q3 TDI Black Edition offers a reliable option for those seeking a well-maintained vehicle. With a total mileage of 67,482 miles, it has been driven sparingly for its age and comes with a full service history, having last been serviced on 5 June 2026 at 62,050 miles. The vehicle is fully roadworthy with an MOT valid until June 2027, providing peace of mind regarding its current condition. It is powered by a 2.0-litre diesel engine paired with a four-wheel-drive system, and it meets Euro 6 emission standards. The vehicle is equipped with a range of features designed to enhance the driving experience, including all-weather LED headlights with automatic light and rain sensors for improved visibility. Parking is made straightforward with the Audi Parking System Plus, which includes both front and rear sensors. Inside, passengers can enjoy the BOSE surround sound system and dual-zone electronic climate control for personalised comfort. Performance is balanced with efficiency, as the car achieves a 0-62mph time of 7.9 seconds while offering a fuel economy of 51 mpg, making it a practical choice for various driving needs.
