Description

New 2025 Triumph Rocket 3 Storm R For Sale at Lings Triumph Essex The 2025 Triumph Rocket 3 Storm R is the ultimate muscle roadster, now available in the sophisticated and moody Satin Pacific Blue and Matt Sapphire Black at Lings Triumph Essex. For 2025, the world's largest production motorcycle engine has been evolved into the "Storm" edition, delivering even more explosive performance and a dark, purposeful aesthetic. With a significant power increase and a lighter chassis than the previous generation, the Rocket 3 Storm R is designed for riders who demand absolute presence and unparalleled torque. Finished in this premium Satin Pacific Blue and Matt Sapphire Black scheme, the 2025 model features extensive blacked-out detailing from the intake cover to the hydro-formed exhaust headers giving it a menacing, contemporary look. Whether you are launching off the line or cruising the Essex coast, the Rocket 3 Storm R offers a level of effortless power that no other motorcycle can match. Key Features & Highlights: World-Leading 2,458cc Engine: The massive triple engine now produces a staggering 182 PS and a world-beating 225 Nm of torque, offering instant throttle response in any gear. Darkened "Storm" Aesthetic: High-quality blacked-out finish across the engine, exhaust system, and bodywork, complemented by the premium Satin Pacific Blue paint. New Lightweight Wheels: Equipped with sportier ten-spoke cast aluminium wheels that reduce unsprung mass for sharper, more agile steering. Premium Suspension: Fully adjustable Showa 47mm upside-down forks and a fully adjustable Showa piggyback reservoir rear shock for a controlled and compliant ride. Elite Braking: Top-specification Brembo Stylema monobloc calipers with twin 320mm discs provide incredible stopping power for this heavyweight performer.
