Description

This is a very rare 1965 Alvis TE21, one of only 66 cars built with automatic gearbox and power steering. In black with wire wheels and a lovely green leather interior with walnut dashboard and wood rimmed steering wheel. It comes with an extensive history file, runs and drives very well, some tidying needed on the bodywork but I'd happily use as is. For more information please email or call 07803 369940, part exchange welcome and delivery available.
