Description

New 2026 Triumph Scrambler 400 XC For Sale at Lings Triumph Essex NOW AVAILABLE ON 5.9% APR REPRESENTATIVE - from £75 per month! The 2026 Triumph Scrambler 400 XC is the rugged, adventure-ready evolution of the 400cc platform, now available in the striking and high-visibility Racing Yellow at Lings Triumph Essex. While the standard Scrambler 400 X mastered the urban jungle, the all-new XC (Cross Country) is purpose-built for riders who want to push further off the beaten track. For 2026, this new model introduces a higher level of off-road specification, combining Triumph's iconic Scrambler DNA with genuine adventure capability. Finished in Racing Yellow with a color-matched high-level front mudguard and flyscreen, the XC stands out as a true dual-purpose machine. It features upgraded hardware designed for durability, including side-laced spoked wheels and a more protective accessory suite as standard, making it the most capable A2-compliant scrambler in its class. Key Features & Highlights: Characterful TR-Series Engine: The 398cc single-cylinder engine delivers a punchy 40 PS and 37.5 Nm of torque, optimized for strong low-down tractability. Adventure-Ready Wheels: Equipped with new side-laced spoked tubeless wheels (19" front, 17" rear) featuring lightweight Excel aluminium rims for superior off-road strength. Enhanced Protection: Comes factory-fitted with a heavy-duty aluminium sump guard, lower engine bars, hand guards, and a protective headlight grille. Scrambler Ergonomics: A commanding 835mm seat height and wide, tapered handlebars provide excellent visibility and control on both mud and tarmac. Premium Suspension: Features 43mm upside-down Big Piston forks and a gas monoshock with 150mm of travel for a composed ride over varied terrain.
