Description

Year: 2004 Make: Aston Martin Model: DB7 GT Reg: HX04BBN Chassis: SCFAD12373K304202 Vintage and Prestige are proud to offer this immaculate example of 2004 Aston Martin DB7 GT. In 2002 Aston Martin decided to overhaul the already well proven DB7, cranking all the dials up a notch, completely transforming the car in to what it arguably should have been from the very beginning. While retaining all the comfort of a great GT car, the suspensions, brakes, transmission, chassis and the engine has been upgraded, giving the car more power, better handling and overall turning into the ultimate DB7 experience. The Aston Martin DB7 GT gained quickly the favour of the critics and the general public despite selling in very limited numbers, making this car a very rare sight on the road and ever more on sale. Only 191 Manual GT were produced and 112 automatics. This 2004 Aston Martin DB7 GT has been fastidiously kept all of its life with plenty of service history to browse trough, the bodywork, the paint job and the interior are all in pristine condition and it gives all around a “brand new car feeling”. Having covered a scant 23k miles from new, this car is as close as factory condition as it gets; it has recently had all the vacuum pipes and lots of more work done to it by a well known Aston Martin specialist. This 2004 Aston Martin DB7 has had only 6 owners since new and it still retains the original wallet and documentation, and also all the original tools. This 2004 Aston Martin DB7 GT is ready to be seen and driven away in our showroom in Northampton. Call Richard Biddulph. Mobile ++44 (0) 7967 260673
