Description

1971 MORGAN 4 plus 4 Registration Number: JWP496K A really lovely example that has been fully restored & covered a scant 4,000 miles post restoration. The restoration was done by the late enthusiast owner whom fully restored the car over a period of a few years & then enjoyed it up to his passing. This Morgan is finished in midnight blue along with a new black leather interior. The mechanics have also been fully gone through & a large file or restoration nbills comes with the car as does a rear mounted luggage rack. The 1600cc engine is robust & pulls very well mated to a four speed easy to use manual gear box. The engine bay is very tidy under the bonnet as one might expect. The Blue vinyl roof is also in as new condition & a spare wire wheel with a brand new tyre is mounted to the rear of the car. To sum up this is a lovely four seat fully restored & sorted Morgan that has covered just 4000 miles since its comprehensive restoration. Call Richard Biddulph.
