Model Year	2024	Power	0 BHP

Description

DEMO AVAILABLE! The Bear 650 the stylish new scrambler with a 60's soul! This bike combines authentic heritage scrambler styling & raw, uncompromising spirit in possibly one of the prettiest looking packages we have seen. This bike gives a massive nod to the absolute legend that is Eddie Mulder AKA Fast Eddie. Eddie is still the youngest entrant to tackle & tame the infamous Big Bear Run. In 1960 765 riders started this gruelling race over 150 miles over Californian desert & only 207 made the finish line! And our man started dead last after a last minute start line toilet break! Amazingly he went on to win - heralding the start of a glittering career for Eddie & legendary status for Royal Enfield Fury! Whilst this bike may be based on an Interceptor, the Bear has seen some big changes - She's now sat on Showa USD 130mm travel big piston forks, Showa 115mm Twinshocks on the rear. A 19 Front & 17 Rear wheel coupled with some big chunky tyres help give this bike the ultimate scrambler look as well as helping increase ground clearance to 184mm. We all know & love the silky smooth 650 Twin motor & thanks to a few changes, it's now even better!! The engine pushes out a healthy 47 bhp at 7250 rpm, she's had a healthy kick to now produce 56.5nm of torque @ 5150 rpm to help give the mid range a bit more punch!! Being a new model the build quality is absolutely top notch! A classy finish & lots of attention to detail! Reserve yours now from the UK's No.1 Royal Enfield Specialists with just a £100 deposit! Prices - Petrol Green & Wild Honey £6899 / Golden Shadow £6999 / Two Four Nine £7099 Any new bike sold by us is very carefully prepared & we can offer a FULL range of accessories to make sure your new bike is EXACTLY how you want it! Your PX is welcome! We offer nationwide delivery at extremely reasonable rates, so you
