bodywork is virtually unmarked with all trim pieces, lights and badges factory correct. The large seat with unique Lambretta tag is pristine and all original labels remain intact, as does the supplying dealer fitted number plate. The LCD display is crystal clear. This example is absolutely showroom fresh! ENGINE & TRANSMISSION The most powerful in the V-Special range is this V200 featuring a 169cc 4-stroke single cylinder engine producing 12hp. Complete simplicity and ease of use is facilitated by air-cooling, electronic fuel injection and CVT ‘twist and go’, this Lambretta is a lot of fun! The condition of the engine casings, components and ancillaries present as new having covered a mere 297 miles in dry conditions and all PDI coloured dabs can still be seen! WHEELS, SUSPENSION, TYRES & BRAKES The stylish multi-spoke wheels are immaculate and the factory fitted tyres still have coloured markings soon lost upon regular use. The Bosch CBS (Combi Brake System) features 220mm discs front and rear and all braking components are spotless. HISTORY FILE Registered new on the 13th September 2024, the supplying dealership was Choice Motorcycles in Coventry. The one and only keeper, Mr Cooney, purchased this V 200 Special to sit alongside his 1959 Lambretta and classic Volkswagen Camper. Having decided to purchase our Toyota MR2, both his Lambretta’s were offered in part exchange. There are three Lambretta red keys and the original red presentation box contains the spare keys, keyring, handbook and service book. With just 297 miles, this example is essentially as new in every respect apart from the price! HPI Clear. About Us

KGF Classic Cars was formed by the owner's desire to pass on the enjoyment of amazingly original, modern classic cars and the pleasure these vehicles offer to their appreciative owners. The eldest son of Italian-born parents – whose families came to the Cambridgeshire Fens after WWII to make bricks for new housing – Karl Fasulo grew up in the 70s and 80s when there were fewer cars on the roads. His appreciation of beautiful motors began when his engineer father, Sav, purchased a red 1983 Mercedes 280SL as a weekend car back in 1985. That same Mercedes is still well-loved and driven regularly by Karl and is now in the showroom for all to see! After a successful career spanning two decades selling and managing premium vehicles for dealerships in London and Cambridgeshire, Karl decided to set up KGF Classic Cars, to source original, modern classic cars and share them with like-minded knights of the road. He says: "As a kid, I would squeeze in the back of our lovely red Mercedes with my brother and sister (seatbelts were not mandatory at that time!) – Mum and Dad in the front and all of us enjoying the outing. I would gaze out at other cars and my brother and I would shout out all the makes and models of the ones going by! "With encouragement from my father, I entered the world of classic cars at 15, when I saved up and bought a 1964 Riley Elf Mk 2. This car was cleaned and polished every weekend until I was 17 when I threw away my L-plates and took to the road. My interest never subsided, even during my career at BMW – to the point where driving these older cars gave me more pleasure than the modern offerings. Perhaps it is just happy childhood memories, but there is something about those classics which draws me back to them every time . . ." He added: "I consider it a privilege to meet and do business with people who love them as much as I do. So, whether you are buying or selling – or just browsing (taking a spin down memory lane, perhaps!) I hope you enjoy this website." All the vehicles offered by KGF Classic Cars are personally checked, meticulously inspected and driven by us to ensure they meet the incredibly high standards that are becoming very hard to find. The cars are eventually selected with the ultimate aim of providing the new owner with the best possible experience of that model, whatever it may be. Visit our purpose built secure showroom for viewings, test drives and a relaxed buying experience, whereby fresh coffee and refreshments can be enjoyed in a friendly and lighthearted environment.
