Emission class	--

About Us

Having been involved within the motorcycle circuit for over 30 years and with 20 years dealing experience Eddie Aitkin can offer unrivaled advice and experience in whichever side of the motorcycle industry you're interested in, whether its trials or racing Eddie has done it all, his background ranges from the Isle of Man TT where he was awarded the Silver Replica to North East Classic road race Champion, Eddie was also North East Centre Trial Champion. Motorcycles are in Eddie's blood, his father was an established racer and now Eddies son looks set to continue the family tradition, in fact Eddie has high hopes for his son within the sport and tends to spend most of his free time watching and coaching him (the downside is he can't get out riding himself!!) We have extensive connections within the motorcycle dealer network, this enables us to supply pre-owned motorcycles direct to the retail public without the high price you would usually have to pay. The majority of our bikes on sale are purchased through connections such as BMW, Triumph, Ducati, Aprillia, and Honda Solus Stores. Because they are Solus franchised dealers, they will only sell on machines of their own brands. Thus allowing you to benefit from our ability to supply you with the bike of your choice, without the large mark up. Located in the North East of England, we are conveniently accessible with excellent links by both road and rail. Being just 5 minutes from the A1 And 15 minutes from the A19, plus only 5 Miles from the nearest railway station, also Durham and Tees Valley Airport is only a stones throw away. We operate a viewing by appointment policy, which is extremely flexible. Simply give us a call to arrange your appointment at a time, that is convenient to you and we will do our utmost to accommodate your requirements. Please feel free to browse our stock of pre-owned bikes, and do not hesitate to contact us if you would like to arrange to view one, or more of these machines, or if you require any further assistance regarding any questions you may have. We look forward to hearing from you very soon.
