outstanding condition. INTERIOR Built with the driver in mind the coupe offers the perfect combination of sports car enjoyment but with no-compromise Audi build quality. The expensive factory optional Black Nappa Leather, (Code JL), is beautifully clean with firmness retained and even the large bolsters are virtually wear-free. The quality carpets are pristine having been protected from new by genuine Audi carpet mats. All aluminium element trim pieces, controls and functions operate perfectly including the heated seats and cold air conditioning. The Driver Information System (DIS) display is perfectly clear with all pixels intact, quite rare for the Mk1 TT. The Audi Chorus stereo with BOSE sound system provides deep, clear and crisp audio pleasure. An immaculate and unspoilt interior. ENGINE & TRANSMISSION The chain driven 3.2 V6 model was the most powerful and fastest road going TT behind the Quattro Sport producing 246bhp with silky smooth performance to achieve an electronically limited top speed of 155mph and 0-62mph in just 6.6 seconds. An exhilarating yet stable drive through the legendary Quattro permanent four-wheel drive system is complimented by the by the 6-speed DSG transmission which enables a faster sprint to 62mph than a manual gearbox! The Haldex oil and filter have been changed routinely and most recently in July 2026. The engine bay is spotlessly clean and displays factory stickers and labels. Perfect for the show circuit! WHEELS, TYRES & BRAKES The 18in split rim alloy wheels are an expensive and rare factory option and look incredible still with the correct diamond cut edge often lost on refurbishment. Premium Bridgestone 225/40 ZR18 tyres were fitted all round in July 2026. Below the spotless carpeted boot floor is the moulded polystyrene holder in which the full Audi toolkit and compressor as well as the original build option label attached. The correct 1L Castrol oil in the Audi leather pouch is unopened and a genuine Audi umbrella is included. Advanced Anti-Lock System (ABS) with Electronic Brake-force Distribution (EBD) features ventilated discs to all four wheels, the fronts having been replaced in July 2026, to offer powerful, assured and safe braking power. HISTORY FILE This Mk1 Audi TT is approaching 22 years of age and incredibly boasts full Audi Main Dealer service history. Supplied new on the 30th November 2004 by Wakefield Audi, this example has covered just 32,899 miles with two former keepers. Sold in 2023 by KGF Classic Cars, we are delighted to have been offered this prime example back safe in the knowledge the continued care and pampered upkeep it has enjoyed. The car has been adored and garaged with 18 Audi Main Dealer service entries to evidence the care lavished on this example, with corresponding service invoices and checklists in the history file. The most recent service has just been carried out at Peterborough Audi in July 2026. All handbooks, guides and dealership literature have been kept along with two Audi flick keys with dealer fobs. The Audi Approved folder with search certificates and guarantees neatly filed is also present. The large history folder also contains previous MOT certificates and a full Audi Main Dealer service and maintenance print out from new. This prime example would stand proud in any Audi Main Dealer showroom and is one for the enthusiast. MOT July 2027, HPI Clear.

About Us

KGF Classic Cars was formed by the owner's desire to pass on the enjoyment of amazingly original, modern classic cars and the pleasure these vehicles offer to their appreciative owners. The eldest son of Italian-born parents – whose families came to the Cambridgeshire Fens after WWII to make bricks for new housing – Karl Fasulo grew up in the 70s and 80s when there were fewer cars on the roads. His appreciation of beautiful motors began when his engineer father, Sav, purchased a red 1983 Mercedes 280SL as a weekend car back in 1985. That same Mercedes is still well-loved and driven regularly by Karl and is now in the showroom for all to see! After a successful career spanning two decades selling and managing premium vehicles for dealerships in London and Cambridgeshire, Karl decided to set up KGF Classic Cars, to source original, modern classic cars and share them with like-minded knights of the road. He says: "As a kid, I would squeeze in the back of our lovely red Mercedes with my brother and sister (seatbelts were not mandatory at that time!) – Mum and Dad in the front and all of us enjoying the outing. I would gaze out at other cars and my brother and I would shout out all the makes and models of the ones going by! "With encouragement from my father, I entered the world of classic cars at 15, when I saved up and bought a 1964 Riley Elf Mk 2. This car was cleaned and polished every weekend until I was 17 when I threw away my L-plates and took to the road. My interest never subsided, even during my career at BMW – to the point where driving these older cars gave me more pleasure than the modern offerings. Perhaps it is just happy childhood memories, but there is something about those classics which draws me back to them every time . . ." He added: "I consider it a privilege to meet and do business with people who love them as much as I do. So, whether you are buying or selling – or just browsing (taking a spin down memory lane, perhaps!) I hope you enjoy this website." All the vehicles offered by KGF Classic Cars are personally checked, meticulously inspected and driven by us to ensure they meet the incredibly high standards that are becoming very hard to find. The cars are eventually selected with the ultimate aim of providing the new owner with the best possible experience of that model, whatever it may be. Visit our purpose built secure showroom for viewings, test drives and a relaxed buying experience, whereby fresh coffee and refreshments can be enjoyed in a friendly and lighthearted environment.
