Description

New 2026 Triumph Bonneville Bobber For Sale at Lings Triumph Essex The 2026 Triumph Bonneville Bobber remains the undisputed icon of custom style, now available in the sophisticated and moody Satin Mineral Grey and Sapphire Black at Lings Triumph Essex. Stripped back, low-slung, and purposeful, the Bobber perfectly captures the essence of a hand-built custom while delivering the refined performance and advanced technology of a modern Triumph. For 2026, this legendary silhouette has been elevated with a larger fuel tank for increased range and a host of significant technological upgrades. With its signature "floating" aluminium seat, hidden "monoshock" rear suspension, and wide flat bars, the Bobber offers a riding experience like no other. The 2026 model benefits from the latest evolution of the 1200cc High-Torque engine, now featuring a refined ride-by-wire system and new lightweight aluminium wheel rims for improved agility, making it as rewarding to ride through the Essex countryside as it is to admire at a standstill. Key Features & Highlights: 1200cc High-Torque Engine: Delivering a punchy 78 PS and a massive 106 Nm of peak torque, tuned specifically for a dedicated "Bobber" power curve with a deep, raw British twin growl. Increased Fuel Range: New for 2026, the fuel tank capacity has increased to 14 litres, providing a more muscular stance and more miles between refills. Advanced Safety Technology: Now equipped with a 6-axis IMU enabling Optimized Cornering ABS and Optimized Cornering Traction Control for maximum stability. Adjustable Floating Seat: The iconic aluminium seat can be adjusted "up and forward" or "down and back" to suit your height (690mm-700mm) and preferred riding style. Lighter Handling: New lightweight aluminium wheel rims reduce unsprung mass, paired with high-spec 47mm Showa
