Description

Introducing the QJMOTOR SRT 900 S - a thrilling adventure-touring motorcycle designed for those who crave both performance and versatility on the open road! Developed by the renowned Qianjiang Motorcycle Group, a name synonymous with innovation and quality, this bike is tailored to conquer the European ADV tourer market with flair and precision. Beneath its sleek exterior, the QJMOTOR SRT 900 S is powered by a robust 904cc engine. The parallel twin cylinder 8v DOHC has a 270 degree firing order for that V-Twin feel and high torque delivery. This powerhouse delivers an impressive 70kW (95 Bhp) at 9000rpm and a maximum torque of 90Nm at only 6500rpm, ensuring you have the grunt you need to tackle any terrain. Its Euro 5+ certification confirms that you're riding a machine that's both powerful and environmentally responsible. Touring enthusiasts will appreciate the SRT 900 S' smart design. The bike boasts long travel, fully adjustable Marzocchi suspension with 43mm USD front forks and rear mono-shock, providing superior handling and stability on any roads.. Effective and safe braking is guaranteed thanks to Brembo, at the front there are Radial 4 piston front calipers and 320mm diameter Sunstar discs with Bosch dual channel ABS and a single Brembo rear caliper on a 260mm disc - also with dual channel ABS, so your stopping power is assured, giving you full control as you navigate the road ahead. The SRT 900 S is fitted with 17-inch lightweight cast alloy rims, wrapped in Pirelli Angel GT 120/70 ZR17 front and 180/55 ZR17 rear tyres which offer an excellent grip and stability across diverse landscapes. With its substantial 24-litre fuel tank, you're equipped for extended journeys without the need for constant refuelling stops and the permitted total weight of 257kg ensures it can not only carry a pillion with ease but
