Description

January Super Sale Visit Now This caravan is included in our January event with genuine added value. New 2025 caravans include £1,000 off and a free motor mover. New 2026 caravans include a free motor mover and battery. Used caravans can choose 1 of 3: free motor mover & battery, £699 starter pack, or £700 awning voucher. The Bailey Phoenix Black Edition 642 2026 is built for tourers who want comfort, flexibility and style without the weight of a twin axle. With an MPTLM of just 1464kg, it is easily towed by vehicles like a Volvo XC40 while offering a well-thought-out layout that comfortably sleeps four. At the front, the lounge area converts into twin singles or a double bed, perfect for guests or children. Centrally located twin fixed beds offer a comfortable retreat without the need to reconfigure seating each night. Under-bed exterior-access storage provides plenty of room for outdoor gear, and the full-width rear washroom includes a separate shower and ample wardrobe space for longer trips. Refreshed for 2026, the Phoenix Black 642 features a bold new exterior in Polar White and Dove Grey, premium black alloy wheels, and sleek interior styling with Light Oak cabinetry and Stone Grey locker doors. The kitchen includes a 92-litre Dometic fridge, a drop-down worktop extension and a Thetford dual-fuel hob. This model is ideal for couples who enjoy extra sleeping space or friends who tour together but prefer their own beds. With Truma heating and all-weather insulation, it's ready for adventures in any season.
