Description

Introducing the QJMotor SVT 650, your perfect companion for both on-road adventures and off-road escapades! This versatile midweight ADV Tourer motorcycle from QJMotor is designed for riders seeking a harmonious balance of performance, comfort and affordability. Whether you're cruising through city streets or exploring unbeaten paths, the SVT 650 delivers exceptional experiences with every ride. At the heart of the QJMotor SVT 650 lies a powerful DOHC 8v 645cc V-Twin cylinder engine ensuring impressive efficiency and performance. With a rated output of 56kW (75 Bhp) @ 9000rpm and maximum torque of 65Nm @ 8000rpm, you can expect a thrilling performance that will keep you coming back for more. The Euro 5+ certification ensures that you can embark on your journeys while being environmentally conscientious. The SVT 650's robust engineering includes a 6-speed gearbox with a multiplate wet clutch providing smooth and reliable gear shifts as you tackle various terrains. Its chain final drive adds durability and ease of maintenance, making it a trusty companion for long journeys. Safety and stability are paramount, the SVT 650 comes equipped with dual channel ABS hydraulic disc brakes courtesy of Brembo Radial 4 piston calipers biting dual 320mm discs at the front and a single caliper on a 260mm disc at the rear. The telescopic USD front suspension paired with a telescopic coil spring oil-damped rear mono-shock ensures comfort, control and remarkable handling, even on rugged terrain. With an elegant design boasting lightweight cast alloy rims and a bold front tyre size of 110/80 R19, complemented by a chunky rear tyre size of 150/70 R17, this bike is built for both style and substance. The dimensions of this remarkable machine measure a length of 2270mm, width of 950mm and height of 1405mm,
