Description

Make: Mercedes-Benz Model: 380SL Year: 1980 VIN:WDB10704522000247 Vintage & Prestige is proud to offer this wonderful 1980 Mercedes-Benz 380SL R107. This beautiful 1980 Mercedes 380SL R107 is finished in Diamond blue on the outside and it presents beautiful half leather blue interiors. The interior is virtually unmarked and the steering wheel shows almost no wear to it. The tyres are in great condition and so are the brakes. This 380SL has been fatidiously mantained troughout its life and has never seen a wet road. The V8 is smooth and powerful and the gearbox is smooth across all gear changes. It has been garaged all of its life and in the last 4 years has been used sparingly, covering no more than a thousands miles. Now that it has been put back on the road, the car has been checked over by a local specialist who carried out a major serive and inspected it carefully reporting no fault whatsoever. Plenty of MOTs to confirm the mileage, which at the moment is just over 96000, and the service book has got stamps all the way up to 94k miles. The R107 Mercedes iconic design is a true icon of the 80s and it is still capable of turning heads today. The car comes complete with 2 sets of keys, all of its original books and the hardtop with its stand. This 380SL is ready to be seen and driven away from our showroom in Northampton.
