Model Year	2023		

Description

CMC Motorcycles is pleased to offer the 2023 Honda Dax 125 — a charming retro mini-bike that combines iconic 1970s styling with modern engineering, easy usability and playful everyday performance. Reviving the legendary Dax name, the modern ST125 captures the spirit of the original while incorporating contemporary reliability, technology and rider-friendly features. At the heart of the Dax 125 is a 124cc air-cooled single-cylinder engine producing around 9.3 horsepower and 10.8Nm of torque. The engine delivers smooth, accessible performance that is perfectly suited to urban riding, short commutes and relaxed weekend cruising. Its lightweight nature and low-speed responsiveness make the bike especially enjoyable and easy to ride for both new and experienced riders. The chassis is based around Honda's signature pressed steel T-shaped frame, which gives the Dax its distinctive appearance and compact proportions. With a kerb weight of around 107kg, the bike feels extremely light and agile, making it ideal for city riding and low-speed manoeuvring. Suspension consists of upside-down front forks and twin rear shock absorbers, offering a surprisingly comfortable and stable ride for a compact motorcycle. The setup provides good road manners and adds a premium feel compared to many bikes in the mini-bike category. Braking is handled by front and rear disc brakes supported by ABS on the front wheel, giving the Dax reassuring stopping power and modern safety performance. Ergonomically, the Dax 125 features a relaxed upright riding position with a low seat height around 775mm, wide handlebars and easy step-through access. Its approachable dimensions and comfortable layout make it highly accessible to a wide range of riders. One of the bike's standout features is its semi-automatic four-speed gearbox,

which removes the need for a manual clutch lever while still allowing gear changes via the foot shifter. This makes the bike exceptionally easy and fun to ride, particularly in urban environments. Styling is a major highlight, with chrome detailing, chunky tyres, a flat bench seat and classic retro bodywork all paying tribute to the original Honda Dax models. Full LED lighting and a modern LCD display subtly integrate modern technology without losing the bike's nostalgic charm. At CMC we pride ourselves on customer satisfaction and all of our bikes undergo a 37 point pre delivery inspection which includes a fresh oil and filter service unless recently changed, if the bike has less than six months MOT we will put a new one on, giving you complete confidence when buying from CMC. 2009 miles, All books and keys, Digital display, ABS, LED lighting, Semi-Auto FREE DELIVERY up to 160 miles from store. About Us

Welcome to CMC, CMC was established in 1975 when Maurice Feltham took his passion for riding and rebuilding motorcycles one step further by purchasing Staveley Motorcycles a small dealership at that time dealing with a mix of British and Japanese used bikes and parts. CMC is now operating 5 stores and became the largest retailer of new Yamaha's in the UK. We are also Isle of Man TT winners in 1999 and 2000 with David Jefferies and became Motorcycle News Dealer of the Year for stores with more than one outlet. With over 800 new and used bikes to choose from we have something for everyone. Buy with confidence with over 40 yrs in motorcycle trading To view one of our bikes simple call us, or visit our website to enquire online.
