### Description

Yamaha's factory riders are always challenging for the podium at every MX2 FIM Grand Prix race. Featuring a special reversed-head engine as well as a lightweight aluminium chassis, the YZ250F has proved to be one of the best bikes in its class. And with its exclusive white and red livery, the very special YZ250F 70th Anniversary Edition is the ultimate 250cc 4-stroke both in performance and style. With your YZ250F 70th Anniversary Edition you can be sure that you've got one of the best performing front and rear suspension packages in the class – combined with an agile handling aluminium chassis with an inbuilt balance of rigidity that provides plenty of feedback. Compact bodywork featuring ultra-slim shrouds as well as a much flatter seat, including a single-piece for rapid weight shifting. There's also a high-efficiency air management system and ECU that boost top end performance on the responsive 250cc 4-stroke engine – while the latest version of the Power Tuner App features an intuitive 'Quick Tuning' function.
