Description

Offering an unmistakable blend of American muscle, flat-track-inspired styling and exhilarating performance, this fantastic 2024 Indian FTR Sport is a seriously impressive motorcycle that stands out from the crowd. Powered by Indian Motorcycles 1203cc liquid-cooled V-twin engine, producing an impressive 120BHP and 120Nm of torque, the FTR delivers exhilarating acceleration, effortless overtaking and an addictive riding experience. Paired with a smooth six-speed gearbox and assist-and-slip clutch, it offers an excellent balance of performance and everyday usability. The FTR Sport comes exceptionally well equipped as standard, featuring a 4-inch RIDE COMMAND touchscreen display with Bluetooth connectivity and navigation, three selectable riding modes (Sport, Standard and Rain), cruise control and a comprehensive suite of rider aids. These include lean-angle-sensitive ABS, stability control, traction control, cornering pre-control and wheelie mitigation. Further highlights include fully adjustable ZF Sachs inverted front suspension, an adjustable piggyback rear shock, premium Brembo braking with twin 320mm front discs and four-piston callipers, and lightweight 17-inch cast alloy wheels. LED lighting, a USB charging port and the distinctive Sport styling package, including its front number plate, chin fairing and rear seat cowl, complete the impressive specification. At CMC we pride ourselves on customer satisfaction and all of our bikes undergo a 37-point pre delivery inspection which includes a fresh oil and filter service unless recently changed, if the bike has less than six months
