Description

2026 YZ85 Brand new in stock Victory. Never given, always earned. Many of today's pro riders started their careers on the YZ85. And when you take a look at what the new model has to offer you can see why. Its high performance 85cc liquid-cooled 2-stroke engine is equipped with Yamaha's race-bred YPVS that gives you race-winning performance. And its adjustable suspension systems are built to master the toughest tracks. The YZ85 also comes with a new, lightweight aluminium rear frame as well as a revised aluminium swingarm, new rear brake system and revised high-efficiency air intake – just like the bigger YZ125. For maximum rider control there's a new flatter seat, a slimmer body and a redesigned fuel tank. And with a duo-tone Icon Blue colour scheme and revised graphics completing the looks, the YZ85 is ready to power you to the next level. You've developed your skills and refined your style on smaller bikes – and now you're moving on to the next stage. Choosing the right motocross bike is an important decision. And when you take a look at what the new YZ85 has to offer, it's clear that this is the way to go.
