Description

Hi, we are Classic Mini specialists Paul Higgs Cars based in New Milton in Hampshire. We specialise in all things Classic Mini and always have a large selection available at sensible prices. We pride ourselves on offering a friendly environment with objective advice with the occasional cup of tea! We have nearly years experience of working with these amazing cars and we always try and match the customer with there perfect Classic Mini. All of our Classic Minis are carefully selected and prepared with a service and MOT and thoroughly checked prior to you starting your Classic Mini adventure. We also offer full Classic Mini garage services helping to keep you and your Classic Mini motoring. Our full details and current stock list are available on our website. We are very pleased to offer a very rare sought after 2001 Rover Mini Cooper Sport 500. Finished in the rarest of 500 colours which is metallic Anthracite of which there are only 108, with contrasting Platinum Silver roof, bonnet stripes and four spot lamps. This example has only covered 50 thousand miles in 25 years with just 4 previous owners, the last lady loved and cherished it for 17 years. It is accompanied with a service history folder, the original and both sets of keys and fobs. It also has a fantastic number plate, M500SPO which will be staying with the Mini. It has lived a charmed life and always maintained to a very high

standard and is ready to be enjoyed. Rover launched the Cooper Sport 500 edition in late 2000 at the very end of classic Mini production and exclusively only 500 Cooper Sports were produced with our example being number 322. They have full Cooper Sport spec: Platinum silver roof, matching leather trim and dashboard and third level brake light. They were produced in just four colours: Anthracite, Solar Red, British Racing Green and Tahiti Blue and are very collectable. There is a plaque in the glovebox to remind you that you own a very special Mini indeed. On the road this Mini drives very well. Cooper Sport 500s have a special feel as they really are an important part of Mini history. The 1275cc engine is very smooth and near silent with excellent power delivery and the gearbox is taut and precise. A stainless steel exhaust gives it the correct subtle burble. This is an MPi Mini which stands for multi point fuel injection, all you need to do is simply turn the key and go. Further features include a driver's airbag, side impact beams and alarm and immobiliser. MPi Minis offer all the Classic Mini charm with a modern twist and thanks to taller gearing they cruise with ease at Motorway speeds. This 500 has a well presented interior and again is full Sport spec with Black leather with Platinum silver inserts, Aluminium 6 clock dash with magnolia dials and alloy door furniture. The roof lining, carpets and switchgear are all in very good condition. It benefits from a colour coded centre console and a Kenwood CD player. This model also has rear seat belts. This Cooper has a well preserved shell with correct vented sills and solid subframes. This is an unrestored example and it wears its vintage well. The paintwork gleams, this is a good looking Mini that is ready to be the envy of your friends whilst at the same time giving you access to a very exclusive club. The 500 is fully checked, serviced and driven and has a long MOT. Viewings are welcome and I am happy to answer questions you may have either through here or on 07752414395 or 01425 839617 (Paul). Further images and two walk round Videos are also available. We also offer a delivery service. We are constantly preparing Classic Minis for sale so please get in touch with your requirements as we are always happy to help. Thanks for looking.
