Description

2023 Honda CB500X – Only 207 Miles – Immaculate – Excellent Extras A superb example of the Honda CB500X, first registered in September 2023 and having covered an incredibly low 207 miles from new. With just 2 owners and described as being in immaculate condition, this is an exceptionally low-mileage example. It has already had its first service carried out by Honda at 185 miles and comes very well equipped, with useful additions including Honda heated grips, centre stand, crash bars, top box and handguards. Specification & Features • First registered 29th September 2023 • Only 207 miles • 2 owners from new • 2 keys • Owner's manual • First service carried out by Honda at 185 miles • No service receipt supplied • Service book no longer available • MOT until September 2027 • 3-month engine & gearbox warranty • Immaculate condition Extras & Accessories • Centre stand • 12-volt power socket • Honda heated grips • Crash bars • Top box with 2 keys • Handguards • Radiator guard • Seat cover • Front fender extender The crash bars are included with the bike but are still in their packaging, giving the next owner the choice of whether to fit them. With only 207 miles covered, this CB500X has seen remarkably little use and offers a great opportunity to own an exceptionally low-mileage example that's already fitted with a very useful selection of touring and everyday accessories. Why Buy From Stafford Motorcycles? • HPI clear • Thorough pre-delivery inspection • Nationwide delivery available • Finance available (subject to status) • Part exchange welcome • Family-run independent motorcycle
