Brief Viewing by appointment only. We are very pleased and proud to offer for second time, this extremely rare 1995 Mazda RX7 Type R Bathurst with just 7,689 miles from new. Original Efina RX7 booklets Documented service history 3x Original Mazda keys Beautiful condition throughout Unmodified example A true JDM collectors piece Serviced by ourselves at 12,370 km's Still reading in KM (12,375 km's) – 7,689 miles. Ready to join a car collection, or indeed ready to be enjoyed out on the road. History Imported in 2016, and graded 4.5A. This vehicle spent the majority of its life within a car collection in Japan, before coming over to the UK. Fantastic service history is with the car as detailed below, along with original booklets and spare keys. We have also given the car a fresh service, and a new battery so it is ready to be enjoyed should you wish. Service history: 95 – 775 km's 96 – 2,872 98 – 4,663 00 – 6,236 01 – 7,292 02 – 7,395 02 – 8,329 04 – 8,650 05 – 9,013 06 – 9,270 07 – 10,032 08 – 10,234 09 – 10,544 10 – 10,870 12 – 11,395 20 – 12,370 Since we sold the car in 2020, the car has been in a private collection with a regular customer, stored in a heated garage as part of a selection of very special cars. Body & Paintwork As you would fully expect, this RX7 looks absolutely fantastic. The paint is in great condition throughout, with a great shine across all panels. Inspecting the paint, only a couple of very small marks are present which is testament to the collectors who had this vehicle for the majority of its life. Badges are original, as are all trims, glass and all lights. A beautifully presented example. A stunning, and dare we say unrepeatable RX7. Interior & Trim Of course with such low mileage, the interior is in superb condition throughout. The original steering wheel and gear knob are in great order with very minimal wear,

as are the seats. The carpets are without any damage, and everything operates as it should do. No modifications have been carried out, so no nasty screw holes from extra gauges, the dashboard and all trims are all superb and as new. Everything works just as it should do, and is exactly as Mazda intended. The sill kick plates are showing some age related tarnishing, which is very common on these cars. This car is ready to be enjoyed or added to a collection. Engine The famed 'wankel' / 'rotary' engine. A truly fantastic experience to drive, free revving with a fantastic power delivery. This example with the low mileage, and regular servicing runs and drives exactly as you would expect and hope. No starting issues either when cold or hot, and no smoking issues either. The engine bay itself present very well, as of course you would expect from such a well cared for and low mileage example. Running Gear All running gear is in very good order and this car is an absolute pleasure to drive. All wheels are in good condition. When on the road, the braking performance is superb and straight, all discs and pads are in good order. The gearbox is a pleasure to operate, as is usually the case with a Mazda RX7.
