----------------------	----	------------	------

### Description

Introducing the all-new Surron Ultra Bee. The Surron Ultra Bee (2024) offers a new level of electric performance. The latest powertrain system, found at the core of this mid-sized powerhouse, features a newly designed platform for precise and lightweight handling. The smooth power output is enhanced by Surron's refined off-road traction control system (SRTC) to assist in tackling obstacles during your ride. Additionally, the race-inspired braking system and innovative TR rear suspension, along with the new front suspension, will provide increased stopping power, allowing you to ride with confidence KEY FEATURES: standard seat + standard length front suspension Targeted for advanced riders or taller customers Color: Black NEW FOR 2024: Upgraded motor with improved mechanical design for higher efficiency, and easier repairs. New 18" rear wheel BALANCING ON THE CUTTING EDGE Based on the design concept of "Balancing on the Cutting Edge," the Ultra Bee matches an aluminum alloy forged chassis with Surron's 4th-generation powertrain, resulting in a weight of 187 lbs (85 kg) and even distribution. CARRY POWER WITH YOU. A hidden space under the seat is designed specifically for the Ultra Bee's charger. You can now carry your charger on your bike, giving you the ability to stop and charge anywhere you find an outlet. FULLY ADJUSTABLE SUSPENSION Featuring a newly-designed suspension system with 9.4 inches (240 mm) of travel front & back, the new Ultra Bee

## About Us

Here at MX BIKE TRADER we offer a friendly relaxed buying experience, with a fantastic selection of Offroad Motorcycles available we are sure we can help you make the right choice when looking for your next bike. We take great pride in the Bikes we source and offer for sale, please see our 5 Star reviews from previous customers on Autotrader. We also buy Offroad bikes for Cash/Bank transfer so please get in touch if you have a bike to sell. We consider all part exchanges, providing it's a good deal we can work with most bikes. To be able to value a trade in we do need to see photos along with as much information as you can provide on the bike Please expect a trade in value on any part exchanges, we can't pay retail money for bikes to buy in as we need to make a margin on everything we sell. Please like & share our Facebook page MX BIKE Trader for stock updates
