Description

The 2018 Yamaha MT-10 is an exhilarating hyper-naked motorcycle that combines superbike-inspired performance with aggressive styling and everyday versatility. Powered by Yamaha's 998cc CP4 crossplane inline-four engine, derived from the legendary YZF-R1, it delivers immense torque, rapid acceleration and a distinctive engine character that makes every ride exciting. Its lightweight aluminium chassis, responsive handling and powerful braking provide an engaging riding experience, while advanced electronics, including traction control, selectable riding modes and cruise control, add confidence and practicality. With its muscular bodywork, distinctive twin-eye front lighting, exposed mechanical details and commanding stance, the MT-10 has an unmistakable road presence. The upright riding position offers greater comfort than a traditional sports bike, making it well suited to everyday journeys as well as spirited rides on winding country roads. Combining superbike performance with the freedom and practicality of a naked motorcycle, the MT-10 delivers an exciting balance of power, agility and usability. Offering Yamaha's renowned CP4 engine, thrilling performance and bold Hyper Naked styling, the 2018 MT-10 is an outstanding choice for riders who want superbike excitement in a versatile, road-focused package and is ready to impress its next owner.
