Description

CMC Motorcycles is pleased to offer the 2017 Ducati Scrambler Icon — a stylish and characterful retro-modern motorcycle that blends classic scrambler design with accessible performance and everyday versatility. As the foundation of Ducati's Scrambler range, the Icon delivers a fun, engaging ride with a strong emphasis on individuality and simplicity. At the heart of the Scrambler Icon is an 803cc air-cooled L-twin engine, producing around 75 horsepower. This Desmodue engine is tuned for smooth, torque-rich performance, delivering strong low-to-mid range pull and a relaxed, easy-going character. Its predictable power delivery makes it ideal for both newer riders and those looking for a laid-back yet responsive ride. The Scrambler is easy to manoeuvre in urban environments while remaining stable and enjoyable on open roads and twisty routes. Ergonomically, the Scrambler Icon features a relaxed and upright riding position, wide handlebars and a seat height of around 790mm. This layout provides excellent control and accessibility, making it confidence-inspiring for a wide range of riders while also supporting longer, comfortable rides. Styling is a defining feature, inspired by Ducati's 1970s scrambler models. The iconic teardrop fuel tank, interchangeable side panels, minimalist bodywork and retro detailing give the bike a distinctive and customisable appearance. Modern touches such as LED lighting and a digital display ensure practicality without losing its vintage appeal. Braking performance is handled by Brembo components with ABS as standard, providing strong and reliable stopping power. Additional features such as fuel injection and a simple electronics package keep the riding experience pure and engaging without unnecessary complexity. At CMC we pride ourselves on customer satisfaction and all of

About Us

Welcome to CMC, CMC was established in 1975 when Maurice Feltham took his passion for riding and rebuilding motorcycles one step further by purchasing Staveley Motorcycles a small dealership at that time dealing with a mix of British and Japanese used bikes and parts. CMC is now operating 5 stores and became the largest retailer of new Yamaha's in the UK. We are also Isle of Man TT winners in 1999 and 2000 with David Jefferies and became Motorcycle News Dealer of the Year for stores with more than one outlet. With over 800 new and used bikes to choose from we have something for everyone. Buy with confidence with over 40 yrs in motorcycle trading To view one of our bikes simple call us, or visit our website to enquire online.
