The 2016 Ducati Diavel is a distinctive power cruiser that combines muscular performance, Italian styling and impressive engineering. Powered by Ducati's 1198cc Testastretta 11° L-twin engine, it delivers exhilarating acceleration, strong torque and the unmistakable soundtrack that makes this motorcycle such a standout on the road. Its sophisticated chassis and responsive handling offer an engaging riding experience, blending the commanding presence of a cruiser with the performance and agility expected from Ducati. With its muscular fuel tank, wide rear tyre, sculpted bodywork and distinctive LED lighting, the Diavel has an unmistakable road presence. Its low seat height and relaxed riding position provide a comfortable and commanding feel, while premium Brembo braking components and advanced rider technology help deliver confidence and control.
