The Triumph Speed Twin 1200 perfectly combines timeless British styling with exhilarating modern performance. Blending classic Bonneville-inspired design with contemporary sportsbike handling, the Speed Twin offers an exceptional riding experience, whether enjoying a spirited weekend ride or cruising through town. The Speed Twin comes equipped with an impressive standard specification, including three riding modes (Road, Rain and Sport), switchable traction control, ABS braking, ride-by-wire throttle and full LED lighting. The chassis features 41mm Marzocchi cartridge front forks, twin rear suspension units with adjustable preload and lightweight 17-inch cast alloy wheels. Braking is taken care of by twin 305mm front discs with Brembo four-piston radial callipers and a 220mm rear disc, providing excellent stopping power and confidence-inspiring control.
