Description

We are pleased to present the striking 2024 KTM 125 Duke, a motorcycle that brings unmistakable KTM styling, impressive technology and sporty performance to the 125cc learner-legal market. Completely redesigned for 2024, the 125 Duke takes inspiration from its larger-capacity siblings, featuring aggressive naked-bike styling, sharp bodywork and a muscular stance. Powered by KTMs latest generation 124.9cc liquid-cooled, single-cylinder engine, it delivers an impressive 15PS, making it an ideal choice for both new riders and experienced commuters looking for an exciting and economical everyday motorcycle. The 6-speed gearbox and refined ride-by-wire throttle provide smooth, responsive performance. The 2024 model comes exceptionally well equipped as standard, with a fantastic range of technology and premium components. Highlights include a full-colour 5-inch TFT display with smartphone connectivity, LED headlights and rear lighting, selectable ride modes and Cornering ABS with Supermoto ABS functionality for enhanced braking control. Handling is equally impressive thanks to the lightweight steel trellis frame, 43mm WP APEX upside-down front forks and WP APEX rear monoshock with adjustable preload. The powerful braking setup features a 320mm front disc with a four-piston radial calliper and a 240mm rear disc, providing confident stopping power. Further features include a low 800mm seat height, comfortable ergonomics, lightweight cast aluminium wheels, an assist and slipper clutch and automatic turn indicator reset. Combining aggressive styling, class-leading technology and KTMs unmistakable READY TO RACE attitude, the 125 Duke offers a premium riding experience in the learner-legal category. At CMC we pride ourselves on customer satisfaction and all of our bikes undergo a 37-point pre delivery
