Description

No paperwork November Sale Was £6995. Now £5995. This believed to be a very early right hand drive FHC Etype has just come to light out of a barn in the south of England. There are a number of early Etype quirks that make us and the previous owner believe this is most likely one of the first hundred Etypes made. There are pictures attached of this Cars odd early features. The cars history numbers and registration have been lost to time, but I believe this will make a rewarding project. Please study the pictures because the parts next to the car is what you get,it is not complete. I really recommend viewing please call me on 07584903010
