Description

1923 Swift M Type open tourer with 12hp 1943cc side valve engine and 4 speed gearbox, reg. no. HF 2153, chassis no. M1484. This rare Vintage British tourer was discovered in a Welsh barn in 1991, and at the time, it was believed to have covered only 32, 947 miles from new. It was subsequently restored, which was completed in 2013. The extensive restoration, including a re-bore and new pistons, is documented in a book of photographs and notes included in the history file. It has many charming vintage features, including nickel fittings, painted artillery wheels, and buttoned brown leather upholstery. It is in very good overall condition restored by the previous vintage car enthusiast owner, who only sold it to make room for another project. The car starts easily & has a lovely quiet engine as a resolt of its rebuild. It is easy to drive & trots along very willlingly at B road speeds. It has a really good canvas hood that is easly erected for inclement conditions. All in all a charming little tourer in excellent runniing condition with all the restoration work wlready done. All it needs is use!!! Call Richard Biddulph. Mobile ++44 (0) 7967 260673 Simone Della Corte Mobile ++44 (0) 7377070943 Sales & Valuations Vintage & Prestige of Northampton Ltd. richard@vandp.net
