KGF Classic Cars Suzuki Cappuccino Kei Figaro

£12,995.00

Engine Size (in ccm)	**1,298**	**Fuel**	**Petrol**
Mileage	**12,675 Miles**	**Model Year**	**2009**
Power	**86 BHP**	**Transmission**	**Manual**

Description

FOR SALE A super-chic Daihatsu Copen with one owner and 12,675 miles from new. EQUIPMENT Electrically powered retractable hard top, bonnet, roof and boot lid in lightweight aluminium, rear spoiler, coloured electric door mirrors, front fog lamps, dual exhaust pipes, side impact beams, high-rigidity cabin, front and rear crushable zones, driver and passenger airbags, Anti-lock brakes with Electronic Brake-force Distribution, telescopic and tilt steering, lockable glovebox, lockable centre glovebox, roll-over bars and aero deflector, air conditioning, remote central door locking. Leather Pack: Genuine leather seats in Red, MOMO genuine black and red leather steering wheel, seater heaters. EXTERIOR A real rarity is this super-cute Daihatsu Copen which has covered just 12,675 miles from new with one owner! Finished in factory original Silver Metallic, (Code S28), the paint finish is outstanding and entirely in line with the amazing credentials. A bright polished shine and uniform finish adorns the pin straight bodywork whereby nothing other than a few frontal touched in stone chips and one scratch can be seen. The clever light-weight aluminium retractable hard top electrically operates in just 20 seconds and features a heated glass rear screen. All trim, lights and trim are perfectly preserved and all original dealer branding to number plates and glass remain. The

clean underside is in excellent structural condition reflective of the garage storage and fair-weather low mileage usage. A fabulous open top pocket rocket sure to turn heads! INTERIOR A high specification of equipment crammed into a very compact car. The one and only owner specified the expensive Leather Pack as a factory option which gave you heated seats in Red leather as well as a MOMO genuine black and red leather steering wheel. Commensurate with 12,675 miles from new, the interior is in pristine condition. The vibrant red leather upholstery is spotlessly clean and the leather hide is free from damage or fading. Matching door cards are perfect as are the carpets and roof lining. A wealth of fully functioning equipment includes ice-cold air conditioning as well as the original Clarion DB189RMP CD/MP3 stereo with Auxiliary socket. Beautifully well cared for throughout. ENGINE & TRANSMISSION The fantastic free-revving 16v four-cylinder engine displaces 1298cc and features chain driven camshaft and electronic multi-point fuel injection. In such a lightweight car at just 850kg, this compact 86bhp engine is surprisingly lively with 0-62mph in just 9.5 seconds and a top speed of 112mph. Lift the feather-weight bonnet to reveal the pristine engine bay with all factory plates, labels and bulkhead chassis stamp clearly visible. The sporty short-throw five-speed manual gear box suits the car perfectly and offer rapid nimble changes for super-fun driving. WHEELS, TYRES & BRAKES Unique to the Daihatsu Copen are stunning diamond cut alloy wheels which are pristine still shod in the original Bridgestone 165/50 R15 tyres. Whilst collectors will be delighted to see factory fitted tyres, it would be prudent to replace them, while keeping the originals, if spirited driving is intended. Anti-lock brakes with Electronic Brake-force Distribution operate precisely having been subject to service and overhaul in October 2026. HISTORY FILE Supplied new by Daihatsu authorised dealer, Jefferies in Stowmarket, this example was registered on the 10th September 2009. The first and only owner, Mrs Mann, has covered a mere 12,675 miles and despite the low mileage the car has had 16 services, the first 10 of which were at the supplying Daihatsu dealer! Most recently, a major service was carried out in October 2026. The original Daihatsu black leather wallet, still contained within its clear protective bag, houses all handbooks and service book with 16 stamps as well as both sets of keys with dealer fobs. A large folder holds all corresponding service invoices and check sheets and previous MOT certificates for every single year dating back to the first in 2012 to fully warrant the mileage. Both sets of keys with supplying dealer key ring and remote fob are present as well as the supplying dealer tax disc holder. Credentials of one owner, 12,675 miles, unrestored and with substantial history are unlikely to be repeated. Dare to be different with this rare micro-roadster! MOT October 2027, HPI Clear.

About Us

KGF Classic Cars was formed by the owner's desire to pass on the enjoyment of amazingly original, modern classic cars and the pleasure these vehicles offer to their appreciative owners. The eldest son of Italian-born parents – whose families came to the Cambridgeshire Fens after WWII to make bricks for new housing – Karl Fasulo grew up in the 70s and 80s when there were fewer cars on the roads. His appreciation of beautiful motors began when his engineer father, Sav, purchased a red 1983 Mercedes 280SL as a weekend car back in 1985. That same Mercedes is still well-loved and driven regularly by Karl and is now in the showroom for all to see! After a successful career spanning two decades selling and managing premium vehicles for dealerships in London and Cambridgeshire, Karl decided to set up KGF Classic Cars, to source original, modern classic cars and share them with like-minded knights of the road. He says: "As a kid, I would squeeze in the back of our lovely red Mercedes with my brother and sister (seatbelts were not mandatory at that time!) – Mum and Dad in the front and all of us enjoying the outing. I would gaze out at other cars and my brother and I would shout out all the makes and models of the ones going by! "With encouragement from my father, I entered the world of classic cars at 15, when I saved up and bought a 1964 Riley Elf Mk 2. This car was cleaned and polished every weekend until I was 17 when I threw away my L-plates and took to the road. My interest never subsided, even during my career at BMW – to the point where driving these older cars gave me more pleasure than the modern offerings. Perhaps it is just happy childhood memories, but there is something about those classics which draws me back to them every time . . ." He added: "I consider it a privilege to meet and do business with people who love them as much as I do. So, whether you are buying or selling – or just browsing (taking a spin down memory lane, perhaps!) I hope you enjoy this website." All the vehicles offered by KGF Classic Cars are personally checked, meticulously inspected and driven by us to ensure they meet the incredibly high standards that are becoming very hard to find. The cars are eventually selected with the ultimate aim of providing the new owner with the best possible experience of that model, whatever it may be. Visit our purpose built secure showroom for viewings, test drives and a relaxed buying experience, whereby fresh coffee and refreshments can be enjoyed in a friendly and lighthearted environment.
