Description

1958 Jaguar Mark 8 Saloon Chassis no. 762369 BW Engine no. N 9645-8 EEC Taxes paid Manufactured on 7th November 1957, chassis number '762369 BW' left the Coventry factory finished in its highly attractive colour combination of Indigo Blue over Cotswold Blue with a Grey leather interior, exactly as recorded on its accompanying JDHT Certificate. The car was dispatched on 30th December 1957 through Henlys Ltd, London and supplied by Russell's Garage of Chatham, Kent to first owner Lt Col Adrian Cryar of Grayshott, Hindhead. This example comes with an exceptionally well-documented history. It was acquired by its previous long-term custodian in January 2002 and has remained in careful enthusiast ownership ever since. Between 2008 and 2015, the Jaguar underwent an extensive restoration. The aforementioned restoration was comprehensive in scope and included: • Complete body-off restoration • Chassis stripped and refinished • Suspension fully overhauled with new bushes • Extensive replacement of body panels where required • Both fuel tanks refurbished • Wheels bead-blasted and powder-coated • New brakes and tyres • Completely handcrafted new leather interior • New carpets and headlining • New wiring harness • Electrical system converted to negative earth • Fitted with power steering • Electric choke installation • Engine replaced with a more powerful correct-type Jaguar XK unit during restoration Huge sums were spent on this restoration alone. The accompanying history file is particularly impressive and contains the following: • Jaguar Heritage Trust Production
