### Description

2024 Honda NC750X DCT – Only 900 Miles – One Owner – Immaculate A superb example of the Honda NC750X DCT, first registered in July 2024 and having covered just 900 miles from new. With only one owner, exceptionally low mileage and presented in immaculate condition, this is a lovely example with an excellent selection of touring extras. It also benefits from a particularly worthwhile full front and rear Maxton suspension upgrade. Specification & Features • First registered 29 July 2024 • Only 900 miles • 1 owner from new • DCT transmission • 2 keys • Owner's manual • Partial service history • Service recorded at 445 miles • First MOT due July 2027 • 3 months engine & gearbox warranty • Immaculate condition Extras & Accessories • Full front and rear Maxton suspension upgrade • Honda touring screen • Heated grips • Centre stand • USB power socket • Foot weather protectors • TomTom sat nav included as a gift The TomTom sat nav was supplied to us with the motorcycle and was not originally supplied by Stafford Motorcycles, so it is included as a gift and is not covered by our warranty. The comprehensive Maxton suspension upgrade is a particularly desirable addition, while the heated grips, touring screen, centre stand and USB socket make this a very well-equipped bike for both everyday riding and longer-distance touring. With only 900 miles covered, this is a fantastic opportunity to purchase a beautifully presented, one-owner NC750X DCT with extremely low mileage and some excellent upgrades already fitted. Why Buy From Stafford Motorcycles? • HPI clear • Thorough
