Description

Ah, the Honda Deauville—often the butt of jokes, yet stubbornly reliable, like that scruffy old Labrador that refuses to quit. Yes, we'll admit, this one's been around the block a few times and looks a bit like it's been parked in a wind tunnel during a sandstorm... but don't be fooled! Beneath its, shall we say, *weathered* exterior beats the heart of a true Honda: dependable, unkillable, and still ready to clock up the miles. With a fresh 12-month MOT, yes, 12 whole months, this trusty workhorse is begging for a rider who values function over form, adventure over aesthetics, and, let's be honest, a bit of a bargain. Make us an offer—ideally around a grand—but don't be cheeky, it's still a Honda!
