### **Description**

WOW! Feast your eyes on this absolute peach of a classic – the Ford Popular 1.2 from 1954. A true motoring icon from a time when cars had character, roads had charm, and a gallon of petrol cost about the same as a cup of tea. This little beauty is more than just a museum piece – it's a proper, usable classic that actually \*wants\* to be driven. Forget trailer queens and endless tinkering—this Pop starts, runs, and even stops (which, in classic car terms, is practically a miracle). The 1.2-litre engine might not break the sound barrier, but it'll chug along with a smile, delivering all the nostalgia and mechanical simplicity you could ever wish for. Charm? In buckets. Style? It's got more curves than a rock 'n' roll dancehall. Whether you're cruising country lanes, turning heads at a show, or just reliving the golden age of British motoring, this is a car that'll put a grin on your face every time you slide behind the big ol' steering wheel. So, if you've ever dreamed of owning a true piece of history—one that actually \*works\*—then here's your chance. First to see will fall hopelessly in love, so don't dither too long!
