Description

It's red, it's Italian, it's sporty, it looks right – and it's an Alfa! The Giulietta Veloce M-Air Tb is everything you'd expect from a proper driver's car. It's got flair, it's got soul, and let's be honest, it's got a bit of attitude too – because all the best things in life do. Jeremy Clarkson, he of the farm antics and a once-glorious motoring show, famously said: "Everyone, at some point in their lives, should own and have the driving pleasure of an Alfa Romeo. It's part of driving DNA." Well, here's your chance to tick that box. With just 86k miles, a fresh 12-month MOT, and all the charm and character you'd expect from an Alfa, this is the car that makes every drive an event. Pop down and have a word outside, you know you want to! Available now at Chaps Emporium – <https://showroom.ebaymotorspro.co.uk/Alan-Reay>. Don't miss it!
