Description

Mercedes-Benz E 350 AMG Sport – Experience the power of a 3.0-litre diesel that truly defines what it means to be a Mercedes. This 2013 model, finished in a striking metallic silver, has only clocked 146,000 miles – a trivial figure when you consider it's a merc, and they never mind a bit of mileage at all. Step inside and you'll feel as though you've entered Dr Who's TARDIS – the interior is surprisingly spacious and quirky, offering a blend of performance, comfort, and unexpected charm. Whether you're cruising along the M6 or taking on the A66, this vehicle is built to cope with anything you throw at it – be it the family, dogs, kids, or even tip runs. It's the real Deutsche Autobahn killer. Complete with a 12-month MOT for added peace of mind, and open to part exchange if that suits your needs, this Mercedes-Benz E 350 AMG Sport is a rare find that combines style, performance, and practicality in one superb package. Available now at Chaps Emporium – <https://showroom.ebaymotorspro.co.uk/Alan-Reay> Don't miss your chance to experience a true masterpiece of German engineering, refined for everyday adventure.
